

SPACE SCAVENGERS

SPACE SCAVENGERS is a bidding-based card game set in the space age.

Players are pilots-for-hire trying to collect as much space scrap as they can from a recent visitor's space station that experienced an untimely explosion.

By collecting space scrap and alien technology, rescuing alien escape pods, and avoiding as much dangerous radiation as possible, the players just might blast off to victory!

→ 2 to 5
Players

→ Ages 10+

→ 30 min.
Playtime

A Typical Turn:

1. A player chooses a sector for all pilots to visit.
2. Each player selects a bid card from their hand: Energy (a number from 1 to 99) or Edge (special card that offers them an advantage to win the bid).
3. Cards are face-down until all players have chosen a card, then are revealed simultaneously.
4. The player with the closest bid number to the Sector up for bid wins and takes the Sector card. The player with the WORST bid draws an Edge Card, and then selects the next Sector up for bid.

FEATURES:

- Secret, Simultaneous Bidding
- Hand Optimization
- Tactical Choices
- Just a bit of *Take That!*
- Edge & Event Cards add surprises to every turn

COMPONENTS:

- 99 Bidding Cards
- 27 Sector Cards
- 18 Edge Cards
- 15 Event Cards
- 80 Item Tokens
